Course Revision
Course open to or required of Non-Majors

Course Title **WAS** "Marital and Family Therapy". **IT WILL BE** "COUPLE & FAMILY THERAPY"

Course Number: **OLD # WAS** HD 234 **NEW # WILL BE:** HD 334/PSYC 334
Date: 11/3/08

Home Dean: CAS CPS SOM GRAD DHC

Nature of revisions:

- CHANGE**
- (1) Modify the title of the course from "Marital and Family Therapy" to "Couple and Family Therapy"
OLD TITLE
 - (2) Change the course number from HD 234 to HD 334
 - (3) Revise the prerequisites from "(Prerequisite: Psyc 110; recommended Psyc 225)" to "(Prerequisites: Psyc 110, Psyc 225)"
 - (4) Cross list the course as Psyc 334; hence, the course listing would appear as HD 334/Psyc 334

Rationale for revisions:

- (1) The revised title is more accurate, inclusive, and contemporary. Couple therapy is frequently conducted with two adults before, without, or after formal marriage.
- (2) Consistency in course numbering with the other advanced elective (HD 325/Psyc 325) in the Human Development Concentration.
- (3) Consistency in the prerequisites to match the other advanced elective in the Human Development Concentration.
- (4) Consistency in cross listing Human Development electives offered by psychology faculty as Psychology courses.

Will the revisions have an impact on the core curriculum? No Yes (indicate impact)

Indicate below the distribution of students the last four times the course was offered

Approximately 75% of enrolled students have been psychology majors. The course is not required for any program; it is an option for one of the requirements of the Human Development Concentration.

Indicate below the impact and response of affected programs/concentrations/tracks

None expected; these four changes are primarily matters of internal consistency and program housekeeping.

Will the revisions require allocation/reallocation of University resources?

No Yes (indicate resources needed for revision below)

Signature of Sponsoring Chair:
