**Course Deletion**  
**Course open to or required of Non-Majors**

**Course Title:** Introduction to Business

**Course Number:** MGT 161      **Date:** 2-26-08

**Brief rationale for course deletion:**

This course has only been offered for Associate Degree students. There haven't been enough such students recently to hold the class. Over the past three years we've had 4, 1, and 2 students sign up for it, respectively. CGCE and the Management/Marketing Department have both agreed to drop MGT 161 and to allow Associate Degree students to take MGT 351. Principles of Management I, instead to fulfill the same requirement.

Has this course been offered in the last five years?    Yes    No  
If Yes, will this course be replaced by another course?  
 No  
 Yes   (Course MGT 351 )

Indicate below the impact on and the response of the affected programs/concentrations/department(s)

This will not affect other programs at all. A small number of part-time, Associate Degree students will attend our MGT 351 class instead of the MGT 161 class. For those Associate Degree students who eventually wish to attain a Bachelor Degree, the MGT 351 course will be able to count toward that. In the past the MGT 161 course would not count toward their Bachelor Degree. So if anything, this change works in favor of Associate Degree students. No other department, program or concentration is affected.

Indicate below the distribution of students the last four times the course was offered

See above.

Indicate below the impact and response of affected programs/concentrations/tracks

Impact mentioned above.

Will the revisions require allocation/reallocation of University resources?

No  Yes (indicate resources needed for revision below)
